In January 1906, Mr. Adams having resigned his post to proceed to England, the Estate was placed in the temporary charge of the Amildar of the Manjarabad Taluk pending the appointment of a new Superintendent. Vide G.O. No. Fl 5215-6 of 23-2-06. B.3-05-2

In April 1906 the Dy. Conr. recommended the appointment of Mr. Eike for the post, but as he did not accept it one Mr. Taylor was recommended in his stead. The latter having also declined to take up the appointment on the terms offered, one Mr. Brito connected with Messrs Brito & Sons of Mangalore was appointed as Superintendent on a salary of Rs 100/- per mensem from 1st August 1906. Vide G.O. No. Fl 1728-9 of 28-8-06. B.3-05-43

The Dy. Conr. reports that Mr. Brito who went on a months leave in May last failed to return to the Estate on the Expiry of the leave, that as the Estate suffered considerably in consequence, he and Mr. Wilkinson succeeded in inducing Mr. Scholfield a European Coffee Planter of the neighbouring Estate of Linsapur to take up the Management of the Estate on a pay of Rs. 70 p.m. the remaining Rs. 30/- out of Rs. 100/- which Mr. Brito was getting being paid to a writer named Menezes living in the Estate and working under the direction of Mr. Scholfield and that Mr. Scholfield entered upon his duties on the 8th instant.

Mr. Scholfield is a European. The sanction of Govt. of India is required to his Employment in the State.

As regards the Dy. Comr's. report that Mr. Scholfield entered upon his duties on the 8th instant, attention is invited to letter No. 3326 of the 19th June 1905 from the First Assistant to the Honble the Resident pointing out that Govt. of India strongly deprecate the practice of anticipating their orders in the Employment of Europeans in the State and requesting the Darbar to issue necessary instructions to avoid the recurrence of such irregularities in future.

Under the circumstance the Rev. Comr. will have to be requested to inform the Dy. Comr. by wire to ask Mr. Scholfield not to enter upon the duties till his appointment is sanctioned by Govt. of India.

Before we apply to the Residency for the Employment of Mr. Scholfield we have to obtain information required in the accompanying printed form about Mr. Scholfield.

Sir,

I have the honor to state that Mr. Brito who was appointed as Superintendent of the Ø Udewar estate under Government management on ₹100 per mensem as per Government Order No. Fl. 1778-9/ B 3-05-43 ~~dated~~ dated went on a month's leave in May last. He failed however to return to the estate on the expiry of the leave and as the estate suffered considerably in consequence and as some other arrangement had to be made for its supervision it was found necessary to dispense with Mr. Brito's services and to look out for another competent Superintendent in his stead.

2. After considerable difficulty both Mr. Pilkington and myself have succeeded in inducing Mr. Scholfield an European Coffee Planter who lives at Lingapur quite close to the Udewar estate to accept its managership on a pay of ₹70/- per mensem the remaining ₹30/- out of ₹100/- that Mr. Brito was getting being paid to a writer named Minezes living in the estate and working under the directions of Mr. Scholfield.

3. It may be seen from the enclosed copy of letter No. 92 dated 8th instant received from Mr. Pilkington that Mr. Scholfield entered upon his duties on the 8th instant.

4. Under the above circumstances I beg that sanction may be accorded for the appointment of Mr. W.F. Scholfield as Superintendent of the Udewar Estate on ₹70/- per mensem and of Minezes as writer on ₹30/- for such period as their services may be required for the working of the estate.

2. Mr.Brito the late Superintendent of the Udewar Estate who went on a month's leave in May last failed to return to the Estate on the expiry of the leave and the Estate suffered considerably in consequence for want of proper management. To arrest the deterioration of the Estate and arrange for its proper working it was found necessary to appoint a competent Superintendent without any loss of time. Some of the European Planters who were offered the Superintendent's place were not willing to take it up and it was with some difficulty and through the effort of that

Mr.W.F.Scholfield was induced to take the appointment. As it was necessary to secure his services at once when he was prepared to offer them, and as under the circumstances above explained, proper arrangements had to be made for the working of the Estate without delay, Mr.Scholfield was placed in charge of the Estate in anticipation of your sanction.

3. With regard to the observation made by the Secretary to Government in his letter (whichis herewith resubmitted) regarding the entertainment of Mr.Scholfield before obtaining the sanction of Government of India, I beg to state that Government Order No.6901-10 G.M.249-06-19 dated 11th May 1907 relates to the entertainment of Europeans in the service of Government. In the present case, the Estate which Mr.Scholfield has been appointed to supervise belongs to private parties, and is only temporarily under the management of Government owing to disputes among the owners. The pay of Mr.Scholfield is met not from Government funds but from the proceeds of the Estate. In these circum-stances, I doubt whether he can be considered to be ap-pointed to Government Service, so as to necessitate the

sanction of the Government of India being obtained for his appointment.
